

Old Sarepta School

Classes were held in the rooms on the building are, l to r, Tom Zinn, the first floor of the old school building at Sarepta. The Masonic Hall was upstairs. Standing in front of Emmett Quarles, Tophia Jenkins, Andy Bullard, Van Powell, John Cooper and Rabon Zinn.

This is the school that I went to in first grade. We were told that there was a goat in the loft where the masons met and if we ever heard a noise up above we beleiyed it was the goat. Do not think I was ever upstairs or do not remember it. My room was on the other side of the building.

This is the building I was in when I caught the lice. Mother had told me not to let John Paul Harrison wear my cap for he had the lice. Well you know me, I gave my cap to him to wear and brother did I have the lice. I had to go home each day for mother to comb my hair and scrubb it to get rid of them. We did not have any medicines like today to get rid of the lice.
