LINE A. ELLIOTT
BY A. ELLIOTT

Mr. J. W. Nanny,
138 Southwood Drive,
Lancaster, Texas 75146

*Jack Nanny line from
John Nanny - J.W.*

Dear Mr. Nanny:

I acknowledge receipt of your letter of 21st September, and the enclosed American Express Money Order for \$15.00. I had previously received \$5.00 from you. I am sorry that my bill did not show the \$5.00 payment. The statement sent to you for \$25.00 was in addition to the \$5.00. Actually your account now stands - Charges \$30.00 less credits of \$20.00. This covered trips to the courthouses of Mecklenburg and Brunswick to check on Nanny records.

When possible to do so, we have tried to fit your research in with other research to make our charge to you as reasonable as possible. We recently had to go to Sussex on another assignment, and while there checked out the John Nanny records there.

There were no deeds of John Nanny buying land in Sussex though he owned land in the county. Sussex County was formed in 1754 from Surry County. The Surry records will probably have to be checked and we will do this at the Virginia State Library as that is closer to us.

In your correspondence, you did not give the names of your father or grandfather or great-grandfather. I am charting your line as follows, however: 1. J. W. Nanny - 2 (father) - 3 (grandfather) - 4. (greatgrandfather) - 5. Roberts Nanny - 6. William Nanny - 7. John Nanny - 8. ~~James Nanny~~ - 9. John Nanny of Sussex County. Beginning with yourself, you have nine generations of your Nanny family.

We will send you the brief records in Sussex later as we want to check the land patents at the library.

Sincerely,

Katherine B. Elliott

John Nanney, Sr, born ca. 1714, Land Patent, May 20, 1742, Isle of Wight and Surry Counties, Va., Land Patent June 16, 1756, Brunswick Co., Va., married Frances Howard, will written 1786, proved Jan. 26, 1789, Brunswick Co., Va.

Children:

John Nanney (to be discussed later)

William Nanney, born ca. 1747, removed to Mecklenburg Co., Va., died there ca. 1789. married Anne Roberts, was Rev. War soldier. (This the line of Jack Nanney) children: William, Hughberry, Roberts, Martha, maybe more William died intestate.

Elizabeth Nanney, married a Cator

Frances Nanney, married a Massey

Silvanus Nanney, married a More

Amos Nanney, born ca. 1767, will dated 1803, wife Tabitha, Children: Oney, Wyatt, Ritter, Charlot, Winfred, Jency, Amos, Able

Uriah Howard Nanney, born ca. 1740 (the heir), in Rutherford Co., NC, 1800, died Allen Co., KY, 1831. I think he had a will, but they are not helpful in Allen County, would have to go there myself to search. Children: (known) Abner, John Howard, Frances, Uriah Holland.

Thomas Nanney, died intestate, 1781, Brunswick County. I think this line is the one who shows in Rutherford Co., NC as early as 1790. I also think this Thomas is the grandfather of the Edmund who settled in Ky. This opinion for reasons too numerous to write, but involves the process of elimination and to this line I attribute many of what I call "unrelated Nanneys"

John Nanney, Jr., will proved Sept. 24, 1804, Brunswick Co., Va., Children: Sally Wesson, Rebecca Wesson, Molly Whitby, Rody Moore, Shadreck (into Rutherford Co., NC), Jordan (into Tennessee, died Ky.) and Drury Nanney.

My time is about gone. Hopefully, I have answered some questions. Oh yes, I found the copy of A. A. Nanney's records I wrote for. He enlisted Dec. 1, 1863, at Newburn, Tennessee, for 3 years, Col. T. H. Bell. This Company Muster Roll for March and April, 1864, says he is Absent, Left the comp. at Trenton, Tennessee, April 29, 1864. The other record says he was paroled at Jackson, Tennessee June, 1865. (Newburn)

As for the census records you sent, I would love to make some connections there--- but I must tell you, you write almost as badly as I do! I'm not sure I can decipher!

This letter has made necessary much "scratching," my records are divided into folders in the order of chapters I had planned. Some of these folders are at our cabin, where I love to work, so some of this is from memory.

You can let me know what you think, and what area you're going to work on.

5. RACHEL' (BADGLEY), b. June 28, 1760, bp. Aug. 10, 1760, d. Jan. 17, 1839; m. 1778 Thomas Price, b. Elizabethtown, N. J., Sept. 27, 1751, son of Thomas Price and his wife Abigail Ogden (dau. of Thomas Ogden). (cc, 1, p. 106; 2, p. 11) They were probably Loyalists. There seems to be little doubt that the Thomas Price who sponsored Zachariah McKay, son of Donald and Sarah, in Kingston, U. C., on Nov. 22, 1801, and that the Thomas Price who was buried in Kingston May 9, 1809 was the same person who married Rachel Badgley. The children of Thomas and Rachel (Badgley) Price were:

(The Nanney Line).

Nanney, which is also spelled Nanna and Nannau, is said to have been derived from Nannaw, in Wales, the original residence of the family.

(Lower: "Patronymica Britannica.")

(I) Rees Nanney (spelled Nanna and Nannau in some records), was probably born in Wales, and died in Philadelphia County, Pennsylvania, in 1747. The earliest record found of him is what appears to be his second declaration of intentions of marriage, 1-29-1714. It is significant that among the witnesses whose names are recorded on his marriage certificate, not one bears his family name. This is a very good indication that he was the immigrant to America.

On 6-7-1732, "Rice Nanney and wife produced a certificate from Abington."

(Gwynedd Monthly Meeting Minutes.)

"Reese Nanney" was taxed in 1734 in Gwynedd Township, where he owned 224 $\frac{3}{4}$ acres of land. In the settlement of his estate, his residence is given as North Wales; this was a name sometimes applied to Gwynedd Township, the two names being synonyms for the same part of Wales. The borough of North Wales, Montgomery County, is carved out of this old township.

Administration on the estate of "Reese Nanna," late of North Wales, yeoman, deceased, was granted to Abraham Nanna and Jacob Nanna, sons of the said "Reese Nanna," October 3, 1747. On April 14, 1748, a petition was made by Ann, Elizabeth and Rees Nana, infants under twenty-one years, that their father, "Rees Nana," of Philadelphia County, left land, etc., valued at £800, dying intestate about twelve months ago, when administration was granted to the petitioners' brother (not named). They asked that John Potts and Peter Clever, of Dublin Township, yeomen, be appointed guardians. Petition granted.

Rees Nanney married (first) at Plymouth Meeting, 2-14-1714, Elizabeth Coulston. (Coulston II.) He married (second), at Horsham Meeting, Margaret Cadwalader "of Worminghurst, County Bucks, widow," who died and was buried at Germantown, 10-11-1748. She was presumably from Warminster, Bucks County, where there was a well-known family of that name. Perhaps the clerk had in mind Warminghurst, County Sussex, where William Penn lived. Thomas Allen Glenn says that Margaret Cadwala-

der was "widow of Reece Peters and ——— Cadwalader, daughter of Thomas Owens, formerly of Plymouth township, deceased." The will of "Margaret Nanne, widow of Rees Nanne, deceased (now of Germantown, Co. Phila.)" was dated 1-26-1748 and proved December 20, 1748. It reads in part:

£40 to be equally divided between my two nephews David and Thomas Owens.

To my niece Margaret Thomas, wife of Richard Thomas, £10.

To my niece Thamer Dunn, wife of James Dunn, £20.

£20 to be equally divided between Henry Jones late of perkasey deceas'd his four children at 21 respectively.

To my friend Edward William, of Blockley Township, £50.

Residue to be equally divided between Thomas Peters and Rees Peters (both Sons of old Thomas Peters of Philadelphia deceased).

Execrs: said Thomas Peters and Rees Peters.

Wits: Sarah Ashmead, John Ashmead, Ed. William.

Children of Rees and Elizabeth (Coulston) Nanney (exact order not known): 1. Grace, born 5-25-1716; married, 7-29-1741 (second intentions, Gwynedd Monthly Meeting), Michael Trump. 2. Abraham, died testate in Upper Merion in 1809. 3. Isaac, was living in 1747-48, when his brother, Jacob, made his will. 4. Jacob, died unmarried in 1752; in his will he leaves all his apparel to his brother, Isaac; all his right in the undivided estate of his father, with his other effects "to be divided amongst my brothers and sisters as follows: To my brother William, one moiety, or $\frac{1}{2}$ part; to my sister Grace Trump one one-fourth part; remaining one-fourth to be divided equally between

my brothers and sisters Abraham, Isaac, Rees, Mary, Sarah, Ann & Elizabeth. Exer: my brother William Nanna, with full power to execute all deeds, etc., which on my part ought to be done in my father's undivided estate." 5. Sarah, of whom further. 6. William, died in Whittpain, Montgomery County, about 1804, leaving a will. 7. Mary, married at Gwynedd Meetinghouse, 4-10-1746, Daniel Roberts, of Upper Dublin, Pennsylvania, who died in 1777. 8. Ann, was under twenty-one years of age in 1748. 9. Elizabeth, born about 1732; she married Jacob Dilworth. 10. Rees, was under twenty-one years of age in 1748; was a cooper and lived in Upper Dublin; married, at Plymouth Meeting, 4-7-1761, Ann Trotter, widow of Joseph Trotter, of Plymouth, deceased, and daughter of Richard Bevan, of Upper Merion.

George had 3 children (I have this) I hope its correct.

have any dates. I like you have lots of information I
haven't connected. I hope to be able to connect my Edmund N.
to the others. (maybe, some day.)

I commend you for your efforts - wish if we could make a
connection. I'm certain there is one - If I could just extend one more
generation & prove it.

By the way, do you happen to be L. O. S. I see where you
received information from the L. O. S. Records. I am a member
& have done research on many family lines - I've sorely struggled
with tracing & connecting my Narrags - but won't give up. I'm 79
years old & have been married 63 years. I've had open heart surgery
& need to get 2 knee replacements. I have my health problems but am
thankful to be as well as I am. I wish I could keep you more &
have something to send that would be helpful - Thanks for your letter
& information, would love to hear from you again

Sincerely - Golden H. Robert

Dear Irma:

I received your letter & information the other day & was happy to hear from you. We seem to have quite a bit of the same information.

I have also corresponded with Stan Nanney of Atlanta Ga. I also corresponded with his dad Morris R. Nanney of Rutherford Co. No Car ^{many years} - He was such a fine & helpful person & sent me some of the same things you sent & seem to have information about Nanney of Merioneth Wales. He descends from Shadrack.

You mentioned Stuart Nanney of Hendersonville, N. Car. you said he had written a Book on the Southern Branch of the Nanney's. Do you have his address? & (or) know if he has any more ^{newly} available ^{books} & (or) what is the cost, any information about it, I would surely appreciate finding out. It might include my branch of the family?!

Thanks for the picture of the Manor House - It would be so interesting to go to Wales & see these historical things - where our Nanney family came from. I've received information & some of these things ^{earlier}. One record I received said there were 19 Royal Tribes of Wales & the Nanney tribe was the 3rd of the Royal tribes.

It seems the Vaughns & Nanney are connected over & over again & a few other families also.

I had the family of Robert N. & Catherine Wheeloughs and children. I too, believe Robert & John are brothers. The picture and article about the New England outhouse was amusing & interesting. We sure ran across a lot of

I did have some ^{information} (a small amount) ~~about~~ ^{about} the change of
Nanney to Onway, but never found any information that
explained the reason for it. Your explanation sounds very
plausible.

back there
I'd love to be able to attend one of the Nanney reunions
& mingle with cousins by the dozens.
My grandmother Susan C. Nanney died before I was born
& I have really not known any one by the name of Nanney -
but am very much interested in this one of my family lines
& have worked for many years to unravel this enigma.

I've corresponded with many of that name & feel a kinship to them
& am happy to share & exchange anything I have. I just wish I
had something that tied into the names you sent or anything that
I could help you with - But can't see anything you seem to
have more than I do on this branch of the family.

I do thank you so much for your kindness & interest in helping
me & sharing what you have. I appreciate everything you have done
& do enjoy corresponding with other relatives.

I'm sure we are distant cousins (probably not too far removed)
I mentioned I hadn't known anyone by the name of Nanney
because my grandmother came west before my father was born &
none of her family moved west with her & ^{she} has been dead
many years.

It's been so nice corresponding with you & I do say
thanks again for your kindness & help. I sure wish I had
something to help. I hope you can find the information you
need. If I find anything to help you I'd be glad to send it to you.
Thanks again - Sincerely Galt

Dear Ina

I again received your letter & copies of 22 pages of the
Nannys of New York state & appreciate your help & interest.
I'm always happy to share any Nanney data I have, also
mine, mostly ^{my} (the little bit I have) of the Branch that
came to Ky. Most of the rest is of those of No. Carolina.
I've corresponded for years with Morris R. Nanney & Stansell Nanney,
& several others who have sent me much information on the Nanneys
of that area. (Nor. Carols - Rutherford Co.) & several others.

I did have some on David Nanney - as I had sent for
his War record or rather I read it on microfilm.
971, 800 U. S. War records (Rev. War). It was numbered
(the application was # 10,812) his certificate of pension was
issued 10 Apr 1854, and several others, but when you sent
me this information I find you have all this plus much
more, (on the New York Nanneys).

I appreciate getting all this information. Even though I
haven't traced my family to N. Y. - I believe some of
them were in New York before they came to Va
& Ky. - & I do believe they will all tie together -
when I can find the connection - When I find my
gr. gr. father Edmons parents, I believe it will be
the clue to tie in with the others.

I also wrote Lynn Fussell after I heard from you. He
said he had one book left, I believe he said the price
was 50.00 but he said he couldn't see that there was any
connection to my family & didn't believe his book would
be any help to me.

(I still will get mail at the old address) but they've given
us this new address - & we are at the same place & have ^{just} moved

married Elizabeth Coulston da. of William. I will give you
what I have of his family. I don't think they are all in the
correct order -

It lists Reese Nanney as b. in 1664 in No. Wales & d. 1746
he son of Joh - Reese m^d. Elizabeth Coulston da. of Wm
children -

- 1 - Jacob Nanney - - - - - d. 1747-8
- 2 - William " -
- 3 - Abraham " - his will prob. 6 mar ~~1729~~?
- 4 - Isaac " -
- 5 - Reese " -
- 6 - Grace " - b. 25 May 1716 m^d. Sam Michael Trump.
- 7 - Mary " abt # 1728 - ?
- 8 - Sarah " m^d. Joseph Halswell 10 apr 1749 m^d. Co.
- 9 - Ann " -
- 10 - Elizabeth " -

In references I've seen they say ^{some} T. Nanney came over in
the Quaker migration with Richard Ellis - (making it possible ^{that} for)
probable they were Quakers? from Wales.

It seems this family lived some time Gwynedd Pa -
Somewhere (I can't find it) but I had a Hewberry Nanney that m^d.
Patsy Roberts in 1992 - but that's all.

You asked about the name Mrs Wm Edward Roberts & Galla (Hunt)
Roberts - well, I am the same person. I hope this will help &
I'd like to hear from you & your pedigree to see if I can connect
or be of help. Good luck in your search -

Sincerely
Golda (H) Robert

Mrs Ina Eckert

Dear Mrs Eckert:

I received your letter & inquiry about the Nanney family. I, like you, have come across many Nanneys & do not know where they belong. Also have some data going back to Dolgellau where - (I have) (probably about the same as you have)

Somewhere in some Library I read that there were (Royal) 19 tribes of Wales and the Nanney family is the 3rd tribe.

My grandmother (paternal) was Susan C. Nanney b. 1843 in Lusk, Ky. & d. 23 May 1919 - in S. Nevada - she married my Grandfather Jonathan Shurt 13 Nov. 1865 in Ky & they came west to Utah -

now her father's name (my gr. gr. fa) was Matthew W. Nanney b. Ky abt. 1807 & d. about 1850 - he md. Nancy P. Williams 17 Oct 1828 in Ky. she was b. abt. 1811 (same place)

now his father (my 2nd gr. gr. father) was Edmond Nanney b. abt. 1790 in Va. & d. Sep 1850 - Ky. he md. 18 Mar 1805 Jane Goodner

Now this is as far as I've been able to trace back & prove my relationship.

I know another branch of the family went to North Carolina. (Shadrach Nanney) ^{who} had a large family there - & others scattered to various areas - Ind. - N.Y. - etc etc. I would sure like to make a connection, but I'm quite sure those of N. Car. are related.

I would like to see your pedigree & perhaps I could see some relationship or I might have something that would fit in & (or) help you - & perhaps you might have something I need.

There are so many Nanneys by the name of John - Robert - William etc. I've not found any that correspond with your dates. - now I do have some on a Reese Nanney who ^{information} over 7
