Dennis;

This folder contains some of my raw unorganized research done in Illinois. It has to do with both sides of my Mothers family....the George and Eliza Large family and the John Benton and Emily Alice (Large) Cole families. It is mostly about the "Buckeye Prairie" families. The church and cemetery both located in Christian County, Ill.

In the small envelope dated 27 May 1997, you will find a letter from Aleda Megaw. While doing my research, while living in Anderson, IN (after I married Melvin in January 1997) I took a trip west to do this research on my Mom's family.

Aleda Magaw was a daughter of Susan Large (1858 – 1932); Susan married J. W. Megaw in 1890. Susan was 2 years older than my Grandma Emma (Legal name was Emily Alice Large). Since the next child, also a girl named Matilda Large only lived 2 years (1863 – 1865); Susan and Emma (my granny) were always close growing up. Emma lived in Owaneco but as a young girl she spent many summers at Susan's home six miles SW at Buckeye Prairie community.

Mom told me many stories of how she and Aleda played together as little girls. She said, one thing they did was to hunt the eggs of the Guinea hens. The hens would nest, and lay their eggs, in the bushes along the fence rows. They put the eggs in a basket to carry them into the house.

Mom kept in touch over the years with Aleda, until Mom died (1904 – 1992). Mom moved from Owaneco, Ill to Hicksville, OH in April 1913, when her father's health was failing. John Benton Cole died in January 1918 in Hicksville of fibrosis of the lungs caused by the Kiln firing of the bricks at his factory in Owaneco.

Aleda, attended college at Millican College in Decatur, Ill and became a school teacher. She never married. When I was doing the research I wanted to talk with her about her life growing up with my Mom. I found her living in an apartment in Decatur. She was gracious to talk with but at the age of 97 she was having some decreasing memory. We spent about 2 hours visiting before she had to leave for an appointment. It was a very rewarding time spent with her. She had made a trip in previous years back to Ireland and found the original Large house and church where records of the family were kept. It was a rare chance to hear of her trip back to the old country. About 4 years later her two nieces had to put her into a Nursing facility due to her failing memory. She lived to celebrate her 105<sup>th</sup>. Birthday!

Doris Livingston, (a 90 years old cousin), visited me a few months ago here in Sarasota. Her daughter, Jane, had a trip to Pinellas County and brought her Mother along (they flew). We had lunch together and a two hour visit. I continue to keep in touch with Doris via mail and facebook on my phone.

In that envelope from Aleda is a tin type photo she sent to me. I have no idea who the persons in it are since she didn't name them. She never answered my inquiry about it later. I suspect that it is her with her parents. But, I have no proof of that.

The Steve Shinn that she talks about is a cousin, and I have contact with him via mail and the Internet. He is a talented professional protographer. He has just retired and moved from his studio in San Francisco. His two sons are also talented and both live in New York City where both are artistic. They

creat some of those wild looking pictures we see on the Video games being played by children. Each son is under contract to a different company producing those games. Both sons were educated in Oregon, after Steve's wife divorced him, when the boys were 8 and 10 years old, and moved back with her family in Oregon. Steve has relatives living here in Sarasota since his father's family is from here.

I am sending along Emma Tarbill's original research on the Large family. I think I sent you my book of the headstones of this family in both southern Ohio and Illinois as well as the Cole family. I can't find it here so must have sent it to you. If not please let me know.

Darla,

Hello - I'm so sorry that I haven't been back in touch with you recently. Like you my research has taken a back seat in recent months. You might remember me telling you that my mother had passed away last September. Well our rough road had continued after that. My father's health had been declining for some years but took a real nose dive after my mother passed away. We just lost my father, Robert Bond Cole (1922-2013) this last Sunday.

He was the last of his generation of Coles that we were related to in Kentucky. Dad had four other siblings that have been deceased for many years.

Darla, as soon as life seems to "return to normal" for us here I plan to get back on the research trail again with "our" Cole family. I did manage to get to the Anderson County Courthouse several weeks back to look up some of the land transactions that the Coles made back in the 1800's. I managed to get as far as scanning the Grantor/Grantee books for deed book references that I could come back to later. These grantor books are chocked full of land transactions that the Coles made in this area over the many decades of the 1800's - 1900's. I have plans to get back to the courthouse as soon as possible to document the details of these transaction. I specifically want to know the details of the old Cole property just north of Lawrenceburg that we have talked about. I would like to know when it left our family and how the tracts were divided and who purchased them.

Darla, please stay in touch and I will be sure to pass along any information that I think might be of interest to you. As well, I would be appreciative of any additional information that you might have for me regarding "our" Cole family.

Best Regards,

Bob Cole - Salvisa Ky
