Good luck with your visit. Let me know what you find out.

Dear Darla,

11/22/94

I was visiting my mother the other day and she told me about you and gave me a card with some very interesting information.

First, let me introduce myself. I am James Ferris Lichtenberg (Jim) my mother is Josephine Clara Ferris Lichtenberg, my Grandmother was Kathyne Olive Cole who was the daughter of James E. Cole and Clara May Brown. what a small world.

I have sent some family group sheets, if you could fill in any of the blanks it would be most helpful.

Some question ?

1. Do you know any thing about Samuel M. Cole ? I now believe he was your Great Grandfather.
2. Could Joshua Cole and John Beaton Cole be the same person?
3. Do you happen to know any thing about Mary Cole the sister of my grandmother Kathyne Olive Cole?

I realize this is all very confusing but any information you have would be greatly appreciated.

Thank - You

Dear Darla,

I am so sorry about Mel, then again we are glad he is being cared for. Good Luck stay healthy...

Still no response from the lady who lives in Canada .ie from the LDS library as per my letter to you on 9/8/97.

Your comment about moving slowly without documentation is so true. However I did find a Marriage document for Elijah Cole and Sarah Hill, copies enclosed. So Sarah was his first wife and Cortinth_ Stoddard was his second wife.

I am enclosing a document that may help with the Nancy Cole over lap.. The Nancy who died at age 16 of Pike Co. was as far as I can see Samuel M. Cole's sister. The Nancy from Anderson Co., Kentucky looks to be Elijah Cole's (Samuel M.'s father), sister. At the present time I am assuming our Elijah had a father named Elijah. I am writing away for a will of Elijah Sr. from Anderson Co., which may clear things up.

You have already sent me a photo of Rozannah Cole's Headstone, much appreciated. If it's not too much trouble, I would love to have photo's of the other Cole family members headstones.

Once again thanks for your help,

Jim

P.S. You are correct, I do use
